ACCESS EASEMENT

The undersigned covenants and agrees that the access easement(s) may be utilized by any person or the general public for ingress and egress to other real property, and for the purpose of general public vehicular and pedestrian use and access, and for the Fire Department, Police and emergency use in, along, upon and across said premises, with the right and privilege at all times of the City of Frisco, its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises.

FIRE LANE EASEMENT

The undersigned covenants and agrees that he (they) shall construct upon the fire lane easements, as dedicated and shown hereon, a fire apparatus access road in accordance with the Fire Code and City standards and that he (they) shall maintain the same in a state of good repair at all times in accordance with City Ordinance. The fire lane easement for the fire apparatus access road shall be kept free of obstructions in accordance with City Ordinance. The maintenance of pavement in accordance to City Ordinance of the fire lane easements is the responsibility of the owner. The owner shall identify the fire apparatus access road in accordance with City Ordinance. The Chief of Police or his/her duly authorized representative is hereby authorized to cause such fire lane and utility easements to be maintained free and unobstructed at all times for fire department and emergency use.

LANDSCAPE EASEMENT

The undersigned covenants and agrees that the landscape easement and restrictions herein set forth shall run with the land and be binding on the owner(s) of the property in this subdivision, their successors and assigns, and all parties claiming by, through and under them. In the event a replat is requested on all or part of this property, the City may require any similar or additional restrictions at its sole discretion. The sole responsibility for maintenance and replacement of landscape materials thereof shall be borne by any 'Homeowners Association' hereafter established for the owners of lots in this subdivision and/or the owners of the individual lots within this subdivision. Such maintenance and replacement shall be in conformance with the requirements, standards, and specifications of the City of Frisco, as presently in effect or as may be hereafter amended. This provision may be enforced by specific performance or by any other remedy allowed by law.

PUBLIC WAY EASEMENT

The undersigned covenants and agrees that the Public Way may be utilized by any person or the general public for ingress and egress to other real property, and for the purpose of general public vehicular and pedestrian use and access, and for the Fire Department, Police and emergency use in, along, upon and across said premises, with the right and privilege at all times of the City of Frisco, its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises. The undersigned covenants and agrees that the Public Way may also be used for the mutual use and accommodation of all public utilities desiring to use or using the same, with said use being subordinate to the public's and City of Frisco's use thereof. The undersigned covenants and agrees that he (they) shall construct within the Public Way an access road that meets or exceeds the requirements of a fire apparatus access road in accordance with the Fire Code and City standards and that he (they) shall maintain the same in a state of good repair at all times in accordance with City Ordinance. The access road within the Public Way shall be kept free of obstructions in accordance with City Ordinance. The Chief of Police or his/her duly authorized representative is hereby authorized to cause such access road within the Public Way to be maintained free and unobstructed at all times for fire department and emergency use. The undersigned covenants and agrees that he (they) shall construct within the Public Way a sidewalk along the access road in accordance with City standards and shall maintain the same in a state of good repair at all times. The maintenance of the access road (and its appurtenances), sidewalks, landscaping and traffic signs within the Public Way is the responsibility of the owner.

US380 OVERLAY DISTRICT GATEWAY EASEMENT

Placement, construction, installation, reconstruction or expansion of any structures, buildings, access routes, or other manmade improvement of any kind is prohibited except as expressly permitted as indicated on an approved site plan. This Easement shall be of perpetual duration. If circumstances arise under which an amendment to or modification of the Easement would be appropriate, Owner may request that the City approve an amendment to the Easement; provided, however, that a preliminary site plan or site plan is submitted in conjunction with the plat amendment and that no amendment or modification shall be allowed if the City determines the amendment or modification would adversely affect the intent of the Easement under any applicable laws.

VISIBILITY, ACCESS AND MAINTENANCE EASEMENT (VAM)

The area or areas shown on the plat as "VAM" (Visibility, Access and Maintenance) Easement(s) are hereby given and granted to the City of Frisco (City), its successors and assigns, as an easement to provide visibility, right of access, and maintenance upon and across said VAM Easement. The City shall have the right, but not the obligation, to maintain all landscaping within the VAM Easement. Should the City exercise this maintenance right it shall be permitted to remove and dispose of any and all landscaping improvements, including without limitation, any trees, shrubs, flowers, ground cover, structure and/or fixtures. The City in its sole discretion may withdraw maintenance of the VAM Easement at any time. The ultimate maintenance responsibility for the VAM Easement shall rest with the property owner(s). No building, fence, wall, screen, berm, sign, parking stall, drive aisle, driveway, hedge, shrub, tree or other improvements or growths, which in any way endanger or interfere with the visibility, shall be constructed in, on, over or across the VAM Easement. The City shall also have the right, but not the obligation, to add any landscape improvements to the VAM Easement, to erect any traffic control devices or signs on the VAM Easement and to remove any obstruction thereon. The City, its successors, assigns, or agents shall have the right and privilege at all times to enter upon the VAM Easement or any part thereof for the purposes and with all rights and privileges set forth herein.

STREET EASEMENT

The area or areas shown on the plat as "Street Easement" are hereby given and granted to the City of Frisco (City), its successors and assigns, as an easement to construct, reconstruct, operate, repair, re-build, replace, relocate, alter, remove and perpetually maintain street and highway facilities, together with all appurtenances and incidental improvements, in, upon and across certain real property owned by Grantor. Appurtenances and incidental improvements include, but are not limited to, curbs, gutters, inlets, aprons, traffic signs with or without attached flashing lights, guard rails, sidewalks, buried conduits, buried City utilities, and underground franchise utilities. Street Easements shall remain accessible at all times and shall be maintained by the Owners of the lot or lots that are traversed by, or adjacent to the Street Easement. After doing any work in connection with the construction, operation or repair of the street and highway facilities, the City shall restore the surface of the Street Easement as close to the condition in which it was found before such work was undertaken as is reasonably practicable, except for trees, shrubs and structures within the Street Easement that were removed as a result of such work.
