## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Frisco has made great strides toward accomplishing the goals of the Consolidated Plan 2015 -2019. The City of Frisco Social Services and Housing Board allocated funds based on the top two priority needs of the Consolidated Plan. The top two needs of the Consolidated Plan and Action Plan are below:

Provide affordable housing opportunities. The Homeowner Housing Rehabilitation program repaired homes for seven (7) households comprised of elderly households and households with persons with disabilities.

Address the needs of persons experiencing homelessness through Homeless Activities including Homeless Prevention, Emergency Shelters, and Transitional Housing. During the year, homeless prevention services were provided to 1,327 persons, and 32 individuals were provided shelter and services at a transitional housing facility. An additional 31 individuals received meals through the Meals on Wheels program offered by the Collin County Committee on Aging.

**Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

During the program year, funds were expended implementing programs addressing the top two high priority needs as identified in the Consolidated Plan as shown below in Attachment A:

In addition, \$35,128.33 of grant funds were used for planning and administration of the CDBG programs including: completing and implementing the PY 2016 Annual Action Plan, implementing the Analysis of Impediments to Fair Housing Choice (2016) Action Plan, and completing the CAPER for the Program Year 2015.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG
White	642
Black or African American	561
Asian	31
American Indian or American Native	2
Native Hawaiian or Other Pacific Islander	0
<b>Total</b>	<b>1,236</b>
Hispanic	286
Not Hispanic	1,111

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

### Narrative

The above table does not include the entirety of the ethnicities, colors, and races the City of Frisco encountered during the year. Additional information includes the additional assistance to the following: American Indian/Alaskan Native & White (15 Individuals), Asian & White (13 Individuals), Black/African American & White (64 Individuals), American Indian/Alaskan Native & Black/African American (15 Individuals), and Other multi-racial individuals (54). This brings the total assisted to 1,397 individuals, which is reflected in the Ethnicity numbers as 286 Hispanic and 1,111 Non-Hispanic individuals.

## CR-15 - Resources and Investments 91.520(a)

### Identify the resources made available

Source of Funds	Source	Resources Available	Made	Amount Expended During Year	Program
CDBG	CDBG	439,452		170,426	
HOME	HOME				
HOPWA	HOPWA				
ESG	ESG				
Other	Other				

**Table 3 - Resources Made Available**

### Narrative

Answer to leveraging question below: The City of Frisco uses federal and local resources to address the needs identified in the Consolidated Plan.

Community Development Block Grant – Program Income - The City received \$13,527.34 in program income.

City of Frisco - The City of Frisco used General Funds to pay for the CDBG Housing Rehabilitation Specialist's truck, and cell phone for an approximate total of \$15,000 per year.

Subrecipient Leveraging- Three organizations receiving CDBG funds for the program year leveraged a total of \$1,295,138. (Frisco Family Services: \$198,125; Collin County Committee on Aging : \$1,020,288; Samaritan Inn: \$76,725)

Public Housing - The Frisco Housing Authority (FHA) was created as a housing authority under the Texas Local Government Code in the early 1960s with federal funds. The FHA is overseen by a board of five Commissioners, four at large citizen appointments and 1 housing authority resident commissioner. All commissioners are appointed by the Mayor, as detailed in Ordinance 01-10-72. The FHA Board is responsible for ownership, maintenance, operation and legal compliance of the existing inventory of federally funded low-rent public housing in the City of Frisco. The FHA currently owns 20 public housing units in Frisco, 10 of which are located at 3rd and Maple, and 10 of which are located at 2nd and Pecan.

**Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
Citywide	100	100	Citywide
Low-Mod areas			Low and moderate income residents

**Table 4 – Identify the geographic distribution and location of investments****Narrative**

The City of Frisco qualifies CDBG activities under the national objective of benefit to low and moderate income households and persons, and does not limit assistance to persons living in a particular target area. To qualify for housing assistance, persons or households must qualify as low and moderate income. Persons or households who meet the eligibility criteria may reside anywhere in the city. During the program year, 100% of CDBG funds were allocated and distributed city-wide.

While households assisted with CDBG Owner-Occupied Housing Rehabilitation funds may live anywhere in the city, 36% of those assisted with Owner-Occupied Housing Rehabilitation funds resided in one of the city's LMI block groups.

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

Leveraging answer continued from above:

Section 8 – Housing Choice Voucher Program - Officially known as the Housing Choice Voucher Program, the program provides partial rental payments to the landlord. The amount of rent per month varies from jurisdiction to jurisdiction. HUD will pay what it considers to be fair market value based on an assessment of the location of the apartment, its size, the kinds of amenities offered and the tenants' income. Each housing authority tracks their vouchers. Frisco Housing Authority has no Section 8 vouchers to issue; however, there are voucher holders living in Frisco that have been issued vouchers from other housing authorities. Unfortunately, there is no way of knowing how many voucher holders reside in Frisco.

Continuum of Care/McKinney Vento Homeless Assistance Act - The Dallas Metropolitan Area Continuum of Care (MDHA), which includes Collin County, was awarded funds to assist homeless families and persons through the Supportive Housing and Shelter Plus Care Programs (SHP). Two SHP grants were awarded to organizations in Collin County, Hope's Door, a domestic violence shelter, and Metrocare, a behavioral health agency. The service areas for both of these organizations include the City of Frisco. McKinney-Vento Homeless Assistance Act Funds are received by the Frisco Independent School District and used to provide services for homeless students and their families.

LIHTC State Funds - Through the state of Texas, Low Income Housing Tax Credits are available to developers of affordable housing projects. There are currently 390 units subsidized by low income housing tax credits (LIHTC) in Frisco. These units are housed within three apartment complexes: Preston Trace Apartments, 40 units; Stonebrook Village Apartments, 216 units; and a multi-family rental housing project, North Court Villas, 134 units.

City Social Service Grant - In addition, the City of Frisco has allocated \$1 per capita of the General Fund to fund Social Service Grants to organizations providing social services to the citizens of Frisco. The expenditures for the Social Service Grant was \$168,000 for the year.

The City of Frisco Senior Center was used by the Collin County Committee on Aging to

serve congregate meals to the elderly Monday through Friday at no cost to the organization.

## CR-20 - Affordable Housing 91.520(b)

**Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.**

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	10	7
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>10</b>	<b>7</b>

**Table 5 – Number of Households**

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	10	7
Number of households supported through Acquisition of Existing Units	0	0
<b>Total</b>	<b>10</b>	<b>7</b>

**Table 6 – Number of Households Supported**

### **Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

In the homeowner housing rehabilitation category, the number of homes receiving repairs was expected to be ten (10) and the actual number completed was seven (7) due to fewer applications received from residents. Program awareness activities including group presentations, flyers, mailers, information on the website have been implemented to increase the number of homeowner housing rehabilitation applications that are submitted.

### **Discuss how these outcomes will impact future annual action plans.**

To increase the number of homeowner housing rehabilitation applications received, the City will focus on implementing program awareness activities including group presentations, a booth at city events, flyers, mailers, and information on the website. The City will work with local schools, social service organizations, and other city departments to market the program at events in the neighborhoods, health care events, and gatherings.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	2	0
Low-income	4	0
Moderate-income	1	0
<b>Total</b>	<b>7</b>	<b>0</b>

**Table 7 – Number of Households Served**

## **Narrative Information**

The City utilized CDBG funding to complete seven (7) homeowner rehabilitation projects including two (2) extremely low-income families, four (4) low-income families, and one (1) moderate-income family.

The City recognized that emergency repairs (<\$5000) offered to homeowners was not providing them with relief that was creating a sustainable impact in the community. In an effort to address the greater needs of the low-income homeowners in the City of Frisco and in an effort to provide more sustainable affordable housing, the city increased the amount of funding available for repairs from \$24,999 to \$49,999 and anticipates increasing the average amount spent per home by more than \$10,000 per unit. It is anticipated that this investment in the neighborhoods will creast a more sustainable housing stock for our families with the most need for many years to come.

An increase in funding creates an opportunity for the city to provide more assistance to our homeowners with disabilities and mobility issues, as well. Creating more accessible units can be costly, and with the larger budget, we will be able to address the larger systems, as well as providing mobility improvements within the home from improving flooring to prevent tripping and falling to widening doors to allow for wheelchair accessibility for our older population.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Frisco lies in two counties, Collin and Denton, and participates in the TX-600 Continuum of Care (COC) and the Denton County Homeless Coalition, Balance of State CoC as well as the Collin County Homeless Coalition which is a sub group of the TX-600 CoC. The Metro Dallas Homeless Area Continuum of Care (MDHA), which includes Collin County, assists homeless families and persons through the Continuum of Care Grant and Emergency Solutions Grant. Metrocare of Dallas provides homeless assistance for a service area that includes the City of Frisco. Hope's Door, domestic violence shelter, also serves Frisco. In PY 2016-2017 (October 2016-Sept 2017), Denton County was awarded \$529,427 through the Continuum of Care Grant to the following organizations: Denton County MHMR's Connections Supportive Housing Program (PSH) and Giving Hope, Inc.'s Supportive Housing Program.

This coalition comprised of cities, homeless service providers, faith communities, businesses, Collin College, hospitals, advocates, civic groups, and school districts in Collin County. The Coalition developed Homeward Bound: A Plan to End Chronic Homelessness in Collin County, in response to HUD's Continuum of Care Program. In May 2005, the City of Frisco City Council adopted the Homeward Bound Plan by resolution and incorporated this plan as a part of the Consolidated Plan.

A Coordinated Access Program has been developed to encompass Collin and Dallas Counties. An Office for Homeless Service Provider Access in Collin County is an essential component of the regional Coordinated Access Plan. This phase of the plan was implemented in 2017.

The City is actively involved with Continuum of Care actions and programs, as noted above. This includes frequent consultation with various public/private entities within the City and the County that provide assisted housing, health services and social services. This consultation included needs assessment, program design, the development of performance standards and policies and procedures for the administration of HMIS. For the first time, MDHA was responsible for the scoring and ranking of the TX-600 CoC – ESG applicants which includes Collin County.

New this year in Collin County, two (2) social service organizations were awarded state ESG funds through TDHCA. The Assistance Center of Collin County and CITY House submitted one collaboration application and were awarded \$255,277. Denton County did not receive ESG through TDHCA.

### **Reaching out to homeless persons (continued)**

Homeless Prevention: With personnel funded by CDBG, Frisco Family Services Center provided homeless prevention assistance through food assistance and rent and utility assistance to 1,327 residents of Frisco. Street Outreach: This is the second year that an organization in Collin County has received funds to conduct street outreach through ESG. Staff has just been hired by the Assistance Center of Collin County and CITY House to provide street outreach. Emergency Shelter and Transitional Housing: The Samaritan Inn was funded by CDBG to provide emergency and transitional housing. A total of 32 persons were served with this program during the program year. Follow-up and Discharge Planning: LifePath Systems has been conducting discharge planning of the Collin County Jail.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

Please see above response.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

Please see above response.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

Please see above response.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The City currently has a contract to replace the water and sewer line for the Frisco Housing Authority units. The work is scheduled to begin in January 2018, and is scheduled to take approximately four (4) weeks.

The City and the Frisco Housing Authority are participants in the Regional Assessment of Fair Housing. The residents of the Frisco Housing Authority have been kept informed about the public meetings and provided access and opportunity to participate in the process.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The City worked closely with the Frisco Housing Authority (FHA) in providing information about homeownership programs and materials, Section 3 opportunities, and Fair Housing opportunities to the residents of FHA. In addition, the City completed the required annual Environmental Review for the Frisco Housing Authority. The City was not involved in the day-to-day management of the Housing Authority.

The Frisco Housing Authority distributed material that was received from the City and other outside agencies to the residents and posted issues and changes in management at the HA office and on the HA website. The HA maintains a job openings list for positions that are available around the area posted on the HA office door. Most residents do not have an interest in homeownership and the one (1) resident that showed interest in homeownership through the Habitat for Humanity project was unable to maintain timely rent payments making them ineligible for the homeownership program offered.

### **Actions taken to provide assistance to troubled PHAs**

Not applicable.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

In 2014, the City completed the "Analysis of Impediments to Fair Housing Choice" (AI). This document provided a comprehensive review of the City's administrative and judicial policies. This study's assessment of the location, availability, and accessibility of housing assists in planning to address impediments to fair and affordable housing. This analysis profiled the housing market in Frisco, addressed housing affordability, the physical condition of housing stock, and public housing. Impediments to Fair Housing were categorized into four areas and actions were taken in each area:

### **IMPEDIMENT ONE – LACK OF PUBLIC AWARENESS OF FAIR HOUSING ACT**

The City of Frisco took action on this impediment through the following actions: (1) Providing Fair Housing Act information available at City Hall, 6101 Frisco Square Blvd., Frisco, Texas 75034; (2) Making information available through the City of Frisco website, [www.friscotexas.gov](http://www.friscotexas.gov); (3) Making presentations to the public; and (4) Training staff to better communicate the Fair Housing Act to residents.

WEBSITE: Fair Housing information is provided on two sites on the City of Frisco website, the Community Development page and the Fair Housing page. Information concerning how to file a complaint and upcoming events are placed on these two sites on the City of Frisco website.

PRESENTATIONS:

### **IMPEDIMENT TWO – LIMITED SUPPLY OF AFFORDABLE HOUSING**

Affordability is an indirect aspect of housing discrimination and it is difficult to talk about addressing impediments to fair housing, and actions to eliminate discrimination in housing, without simultaneously talking about development of policies, plans, programs, and projects to increase the supply of affordable housing. Even moderate-income households face challenges in purchasing a home in Frisco, and low-income families face a significant cost burden for rental housing. In the program year, the City of Frisco focused on four actions to address this impediment: (1) Owner-Occupied Housing Rehabilitation; (2) City-funded Homebuyer Loan Assistance Program; (3) Staff Training; (4) New Tax Credit Policy.

Owner-Occupied Housing Rehabilitation Program: The CDBG funded Owner-Occupied Housing Rehabilitation Program completed seven (7) housing rehabilitation projects in the program year to maintain affordable housing stock in the City.

## **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The greatest challenge to meeting underserved needs is meeting the increased need for program activities with a limited amount of funding. To overcome this significant challenge the City worked more efficiently, participated on a greater level of collaboration with other agencies and organizations, and aggressively sought and were successful in leveraging funding opportunities.

### **Emergency Solutions Grant (ESG)**

Through the Collin County Homeless Coalition's partnership with Metro Dallas Homeless Alliance (MDHA), two Collin County social service organizations applied for and received Emergency Solutions Grant (ESG) funds.

### **City-funded Social Service Grant**

Further, the City recognized the obstacles of meeting underserved needs in the City and funded a General Fund Social Service Grant which provides funding to social service agencies assisting the underserved. The budget for this program is based on \$1 per capita and was used to fund social service agencies that provide health care, clothing, food, counseling, and education. The budget for the PY 16 General Fund Social Service Grant was \$168,000.

## **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

All CDBG funded housing rehabilitation projects include a lead based paint assessment and/or inspection as required by 24 CFR Part 35. In order to reduce and abate lead-based paint hazards, the City provides information and technical assistance to households receiving assistance under the Owner-Occupied Housing Rehabilitation program. During the program year, no homes were tested for lead-based paint. The lead-based paint booklet was given to all housing rehabilitation households.

## **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

The City of Frisco supports several agencies actively working on alleviating poverty. The City of Frisco Community Development staff went door-to-door interviewing and surveying the residents of the Frisco Housing Authority to ascertain employment needs. Information was distributed to eighteen out of twenty households currently residing in Frisco Housing Authority units. In addition, the City Council awarded a City of Frisco General Fund Social Service Grant during the program year to Frisco Family Services Center to provide emergency food and financial services, educational workshops on budgeting, finances, educational goals, and securing employment. Also, Frisco Family Services Center distributes college scholarships to students in low income families. Frisco Independent School District Foundation also distributes college scholarships to low income families. Frisco Housing Authority is working with families to

help them to break the cycle of poverty. The Samaritan Inn, a homeless shelter, works with families to help them become self-sufficient with educational seminars including computer software applications. CITY House assists clients in securing funds for college and job training.

The City envisions continuing to support programs that expand antipoverty programs for both lower income families as well as to families which may be threatened with poverty through homeless prevention strategies.

### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The need for more and better information sharing among agencies and organizations that provide services to Frisco residents is a gap in the institutional structure and was addressed through the participation in the following collaborations: National Community Development Association, Regional Community Development Association, Collin County Homeless Coalition, Denton County Homeless Alliance, Metro Dallas Homeless Alliance CoC, Texas Health Community Board, and Frisco ISD Advisory Committee. In addition, through the social service grant process, several questions have been inserted into the grant application requesting information on collaborations between organizations, and also, the City provides collaboration meeting time for applicants during the annual grant application meeting in January.

The City continues to seek new partners and to enhance the relationship with existing partners in City departments and social service agencies to improve and better coordinate the delivery of programs and services. Also, the city seeks opportunities to leverage the limited available resources.

### **Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

Through the Denton County Homeless Coalition, a program has been implemented to meet with public housing organizations, private housing landlords, municipalities, United Way, and social service organizations to discuss the housing access obstacles facing persons with Section 8 vouchers and VA vouchers. Housing inventory is down and demand is up resulting in a dramatic increase in local rent payments. Renting to individuals without the added government paperwork is preferable to most landlords. This program is trying to build paths for housing voucher holders to secure housing.

Metro Dallas Homeless Alliance and Collin County Homeless Coalition worked on housing access issues through discussions with real estate councils and supportive private housing landlords.

### **Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

In 2014, the City completed the "Analysis of Impediments to Fair Housing Choice" (AI). This

document provided a comprehensive review of the City's administrative and judicial policies. This study's assessment of the location, availability, and accessibility of housing assists in planning to address impediments to fair and affordable housing. This analysis profiled the housing market in Frisco, addressed housing affordability, the physical condition of housing stock, and public housing. Impediments to Fair Housing were categorized into four areas and actions were taken in each area:

#### **IMPEDIMENT ONE – LACK OF PUBLIC AWARENESS OF FAIR HOUSING ACT**

The City of Frisco took action on this impediment through the following actions: (1) Providing Fair Housing Act information available at City Hall, 6101 Frisco Square Blvd., Frisco, Texas 75034; (2) Making information available through the City of Frisco website, [www.friscotexas.gov](http://www.friscotexas.gov); (3) Making presentations to the public; and (4) Training staff to better communicate the Fair Housing Act to residents.

**WEBSITE:** Fair Housing information is provided on two sites on the City of Frisco website, the Community Development page and the Fair Housing page. Information concerning how to file a complaint and upcoming events are placed on these two sites on the City of Frisco website.

PRESENTATIONS:

#### **IMPEDIMENT TWO – LIMITED SUPPLY OF AFFORDABLE HOUSING**

Affordability is an indirect aspect of housing discrimination and it is difficult to talk about addressing impediments to fair housing, and actions to eliminate discrimination in housing, without simultaneously talking about development of policies, plans, programs, and projects to increase the supply of affordable housing. Even moderate-income households face challenges in purchasing a home in Frisco, and low-income families face a significant cost burden for rental housing. In the program year, the City of Frisco focused on four (4) actions to address this impediment: (1) Owner-Occupied Housing Rehabilitation; (2) City-funded Homebuyer Loan Assistance Program; (3) Staff Training.

Owner-Occupied Housing Rehabilitation Program: The CDBG funded Owner-Occupied Housing Rehabilitation Program completed seven (7) housing rehabilitation projects in the program year to maintain affordable housing stock in the City.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The standards and procedures for CDBG staff to monitor activities include: (1) a schedule of rehab activities, (2) a schedule of administrative activities, and (3) a schedule of subrecipient activities. These schedules are reviewed by staff quarterly and presented to the Social Service and Housing Board annually. Goals and objectives of the annual Action Plan are reviewed by staff quarterly and steps are taken to attain goals and objectives. The City operates in a dynamic external environment. Expenditures are reviewed monthly with the City of Frisco Finance Department staff to insure the timeliness of expenditures. Housing Codes and on-site inspections are performed by the CDBG Rehabilitation Specialist, as needed. The CDBG program funds the following positions using a prorated method: a Rehabilitation Specialist position and, as needed, a Community Development Supervisor.

All subrecipients who receive City of Frisco Community Development Block Grant funds attend a pre-grant training focused on policies and procedures in relation to activity eligibility, reporting requirements, and performance measures. Each subrecipient signs a contract which specifies the activity that is being funded and the subsequent requirements and remedies.

Quarterly, the subrecipients are required to submit financial and program documentation to the City of Frisco. This is done to ensure the timeliness of expenditures. The documentation which includes: beneficiary data, and invoices with supporting documents, such as pay records, counseling logs and rent and utility receipts is reviewed by the Community Development Supervisor. If the invoice is approved by the Community Development Supervisor, it is submitted to the Finance Services Department for approval and payment.

Technical assistance is given to the subrecipients throughout the program year, as needed. In addition, desk reviews are performed on all subrecipients throughout the year, and if a subrecipient is identified as needing further review, a monitoring visit is scheduled to ensure that the use of Community Development Block Grant funds is consistent with the contractual commitments made in the subrecipient agreement and with overall Community Development Block Grant program requirements.

Upon completion of their grant, subrecipients who received monitoring visits during the year receive an end-of-year on-site visit from City of Frisco staff to review financial documents, records and contracts, perform onsite inspections, review specific client files, and to discuss with the agency the specific accomplishments achieved as a result of the City of Frisco Community Development Block Grant funding.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The City of Frisco followed the Citizen Participation Plan established for all CDBG activities. A notice was published in the paper of general circulation, The Dallas Morning News, and on the City of Frisco website, [www.friscotexas.gov](http://www.friscotexas.gov), on November 5, 2017 announcing the availability of the PY 2016 CAPER for public examination and citizen comment. The public review period began on November 5, 2017 and ran through January 10, 2017. The CAPER document was available on the City's website, [www.friscotexas.gov](http://www.friscotexas.gov), and at City Hall.

Due to a conflict, the public hearing was postponed. New ads were run in the Frisco Enterprise, Celina Record, on their respective websites on December 15 and December 29, 2017. The new hearing date is set for January 10, 2018, with council action to take place on January 16, 2018. At that time, the City will request the U.S. Department of Housing and Urban Development to return the Consolidated Annual Performance and Evaluation Report (CAPER) to update this portion of the report.

At the time of this report, no comments have been received regarding the proposed FY2016 CAPER as published on November 5, 2017.

### E. Unprogrammed Funds Calculation

Amount of funds available during the reporting period		\$927,367.06
Income expected but not yet realized**		
	Subtotal	\$927,367.06
Less total budgeted amount		\$927,367.06
	Unprogrammed Balance	\$0.00

\*\* This amount should reflect any income considered as a resource in the action plan (and any amendments) for the period covered by this report, as well as that identified in prior action plans/final statements (including any amendments), that was expected to be received by the end of the reporting period but had not been received, e.g. program income or Section 108 proceeds not yet received from an approved 108 loan.

The PR-26 indicates that Current Year Program Income is calculated at 16,695.12 with an adjustment on line 7 to compute total available by (3,167.78). The City made an adjustment to line 7 in the amount of 3,167.78 to indicate that 120.00 was Program Income from PY 2015 and 3,047.78 was Program Income for PY 2017 (receipted 10/3/2017 in our system). This leaves a net of Program Income of \$13,527.34.

### Part III: Summary

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low- and very low-income persons, particularly those who are recipients of government assistance for housing.	
Yes	Attempted to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contacts with community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located, or similar methods.
Yes	Participated in a HUD program or other program which promotes the training or employment of Section 3 residents.
Yes	Participated in a HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns.
No	Coordinated with Youthbuild Programs administered in the metropolitan area in which the Section 3 covered project is located.
No	Other; describe below.
<p>The City of Frisco hired one grant administrator during FY2016. The new administrator is not a Section 3-eligible person/resident.</p> <p>On September 23, 2016, a grant recipient workshop was held that included a Section 3 educational component. Additionally, contracts awarded to the construction contractors and public service providers included Section 3 clauses including rights and responsibilities. The contractors and public service providers that received Community Development Block Grant Funding are not listed on the Section 3 Registry. Additionally, these recipients of grant funds did not indicate they had hired Section 3-eligible residents or businesses at the end of the contract year.</p>
