

CALENDAR 2023

ENVIRONMENTAL SERVICES OFFERED BY THE CITY OF FRISCO

The City of Frisco's Environmental Services provides the widest range of residential services in the DFW Metroplex at a competitive price. Below is a list of services for Frisco residents.

Please follow set-out guidelines to ensure timely and efficient service.

WEEKLY COLLECTION SERVICES OFFERED:

- Curbside/alley collection of a 95-gallon **blue recycle cart**, picked up once weekly on your service day, for loosely bagged recyclables only.
- Curbside/alley collection of a 95-gallon **black trash cart**, picked up once weekly on your service day, for bagged trash only.
- Curbside/alley collection of up to 10 paper bags and/or bundles of **yard waste**, picked up once weekly on your service day.

NOTE: No yard waste materials of any kind are permitted in either cart. Carts containing yard waste will not be collected.

WEEKLY COLLECTION SERVICES SET-OUT GUIDELINES:

- Both carts and all yard waste must be set out **no later than 7 a.m.** on your service day. Trucks run approximately 7 a.m. - 7 p.m. each day.
- Carts and yard waste must be placed at the **edge of the driveway** where it meets the alley or street.
- Carts must be at least **3 feet from all objects**, including yard waste bags/bundles, fences, gas meters, vehicles, and other carts.
- Carts or yard waste **may not be too heavy**. DO NOT put rocks, brick, concrete, dirt, mulch, or construction materials in either cart or in yard bags.
- Carts may not be overloaded and **lids must fully close**. DO NOT place extra bags next to (or on top of) either cart.
- **Both recycling and trash must be bagged** to prevent litter during service. *Please bag recycling with a loose tie.*
- Yard waste like grass clippings and leaves must be placed in **brown paper lawn waste bags**. Plastic bags will not be collected.
- Branches must be less than 4 inches in diameter, cut into 3 foot lengths or smaller, and **bundled with rope or twine** (less than 30 lbs/bundle).

OTHER COLLECTION SERVICES AVAILABLE:

- One-time free pickup of **new move-in cardboard moving boxes and packing paper** for recycling. Residents must call 972-292-5900 to schedule.
- Curbside/alley monthly collection of **up to 5 bulky trash items** is offered on your regular recycling and trash day of either the 1st, 2nd, 3rd, or 4th week of every month. To schedule, visit [FriscoTexas.gov/BulkWaste](https://www.frisco.texas.gov/BulkWaste). Please do not leave items out without scheduling an appointment.
- Curbside/alley collection of **appliances/large metal items** for recycling. \$15 pickup charge and \$40 freon removal charge (when applicable). All charges are applied to next Frisco water bill. Visit [FriscoTexas.gov/Recycle](https://www.frisco.texas.gov/Recycle) to schedule online.

- HHW drop-off and electronics recycling are open to residents with ID and current City of Frisco water bill (names and addresses must match).
- "Fast-Lane Fridays" is the same HHW and electronics drop-off - on your schedule! Visit [FriscoTexas.gov/HHW](https://www.frisco.texas.gov/HHW) to schedule your appointment.
- The Reuse Center has household chemicals, paint, pesticides, herbicides, and more available for FREE. Open during Special Collection hours.

THE TRANSFER STATIONS (9901 Custer Road & 4030 W. Plano Parkway in Plano)

- Open for drop-off of trash (both locations) and yard waste (Custer Road location only) Monday - Saturday, 8 a.m. - 4:30 p.m.
- Free drop-off of metal appliances for recycling (i.e. ovens, washers/dryers, refrigerators) is available at the Plano Parkway location only.
- Frisco residents receive two free drop-offs per month at either location, with ID and matching current City of Frisco water bill.
- Construction material, rock, mulch, soil, and hazardous waste are not accepted at either of the Transfer Stations.

THE MELISSA LANDFILL (3820 Sam Rayburn Highway in Melissa)

- Construction material and rock/mulch/soil disposal are available at this site.
- Residents may drop off one time per month Monday - Friday, 7 a.m. - 5 p.m. and Saturday, 8 a.m. - 3 p.m. Residents must show ID, matching current City of Frisco water bill and Authorization Letter. Email EnvironmentalServices@FriscoTexas.gov to request an Authorization Letter.

CHUNK YOUR JUNK!

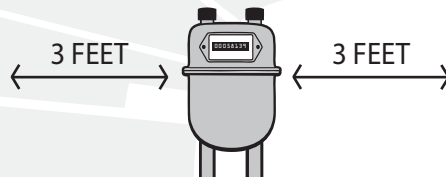

- Our quarterly Chunk Your Junk events are available to all Frisco homeowner residents with ID and matching current City of Frisco water bill. Please visit [FriscoTexas.gov/ChunkYourJunk](https://www.frisco.texas.gov/ChunkYourJunk) for more information.

PICK SIX!

Service troubles? It's not too late to turn things around!
Be a team player and avoid these common set-out fumbles
to ensure your recycling and trash handoff goes smoothly.

Please put carts and yard waste out **BEFORE 7 a.m.** on your service day.

Make sure carts are placed at least 3 feet from **ALL OBSTACLES.**

Yard waste does not belong in **EITHER CART.** Please set it out separately.

Carts should not be **OVERLOADED**; lids should be completely closed.

Bag **BOTH** your recycling and trash to help prevent litter during service.

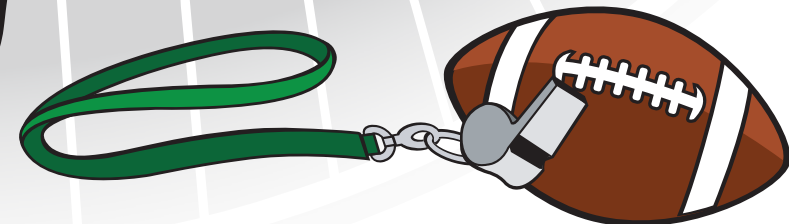

Carts should not be **TOO HEAVY**; do not put dirt, rocks, bricks, etc. in your carts.

BAG BOTH!

The most common pollutant in Frisco's creeks, streams, and natural areas is litter. You can help reduce litter by bagging all recycling and trash (with a loose tie) before placing it in your carts.

Bagging helps reduce the amount of litter that is accidentally generated by your carts during weekly service.

SUMMER POLLUTION SOLUTIONS

SOLUTION # 1 - POOL CHEMICALS

Safely dispose of your leftover pool chemicals at the Environmental Collection Center (6616 Walnut St.) during special collection hours. **Do not put hazardous waste in either cart!**

When it rains, stormwater runoff carries pollutants like litter, chemicals, grass clippings, and pet waste straight into storm drains. Storm drains empty this untreated runoff directly into Frisco's creeks and streams. These waterways eventually flow into lakes, which are the primary water supply for most cities in North Texas.

SOLUTION # 2 - CHLORINATED WATER

Per city ordinance, pool water must be dechlorinated before draining into alleys or streets. Simply allow your pool water to sit in the sun for 3 days before draining.

SOLUTION # 3 - YARD WASTE

Never blow or sweep yard waste into storm drains. Instead, place grass clippings and other yard waste into compostable paper bags and set out for collection on weekly service day.

AVOID FOUL F.O.G. CLOGS THIS HOLIDAY

When you pour fats, oils, & grease (F.O.G.) down the drain, they cool and solidify somewhere between your sink and the street. **Over time, “F.O.G. clogs” can lead to embarrassing pipe ruptures and expensive repairs.** Avoid a plumbing “Nightmare Before Christmas!” Bring cooking oil and liquid grease to the Environmental Collection Center (6616 Walnut Street) for special recycling during our regular open hours, and deposit it in the designated oil recycling container.

FATS, OILS, & GREASE DISPOSAL: STEP-BY-STEP

STEP 1

NEVER pour Fats, Oils, and Grease (F.O.G.) down the kitchen sink or garbage disposal.

STEP 2

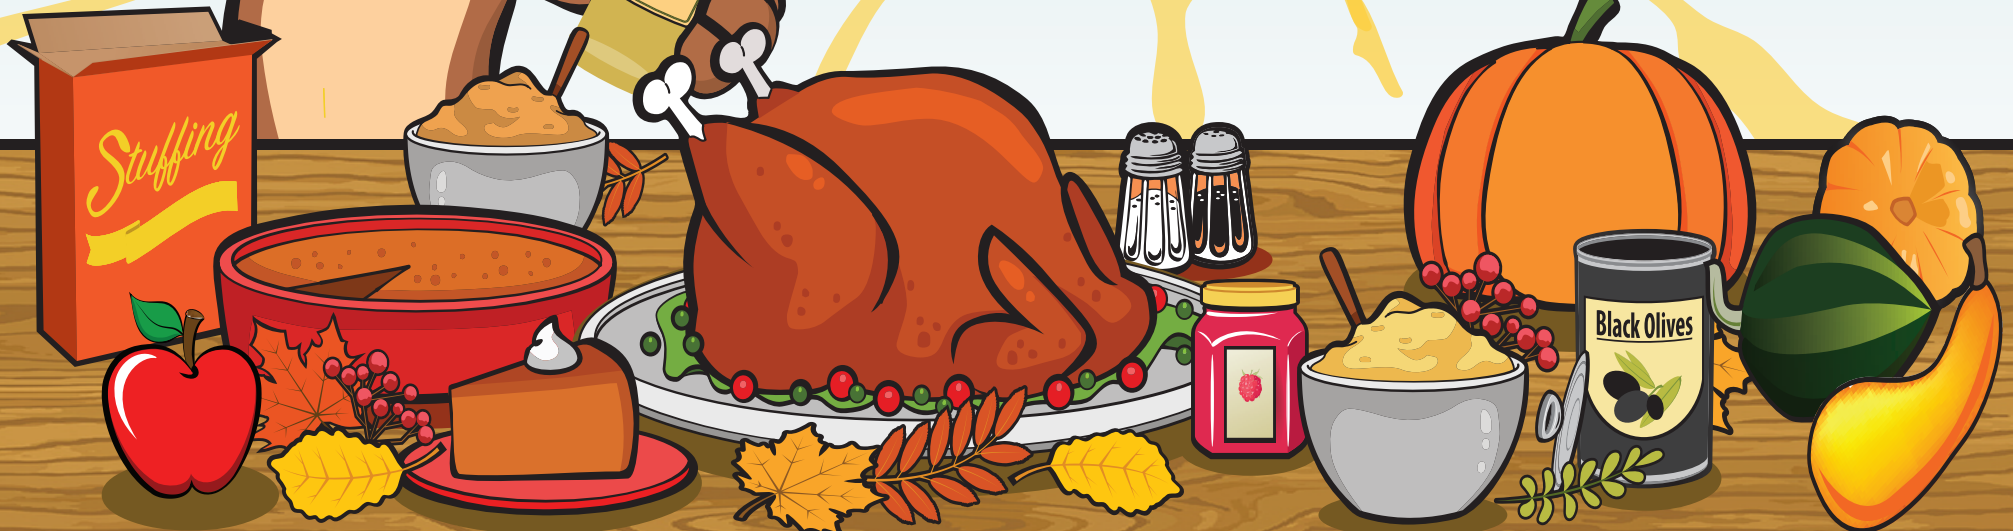

Collect leftover F.O.G. in a sealable container, place it in the trash or drop it off for recycling at 6616 Walnut St. in the oil recycling container.

STEP 3

Before rinsing or washing, wipe pots, pans, dishes, and plates with dry paper towels and throw the greasy paper towels in the trash can.
