Best Value Bid 2212-016
CLEANING, INSPECTION, AND REPAIR OF FIRE PPE

The City is accepting Best Value Bids for inspection, cleaning, and repair of personal protective equipment ("PPE") for the Frisco Fire Department. This is an annual contract, good for one (1) year with four (4) optional annual renewals. Frisco Fire Department currently has approximately 200 active firefighters. The City anticipates adding future stations and personnel, so these numbers will continue to increase. The City currently has 400 coats and 400 pairs of pants in bunker gear inventory. Gloves and hoods are not currently cleaned and inspected by the City; however, the City is requesting pricing for these services if the City should desire to utilize these services in the future.

As a Best Value Bid, the City will consider the following evaluation criteria:

Price	60 points
References	25 points
Turnaround Time	15 points

Contractor shall provide cleaning and repair of structural, proximity and light weight protective gear for Fire-Rescue for the City of Frisco, Texas. The services are to be performed in a good and workmanlike manner and shall conform to National Fire Protection Association (NFPA) 1851: Standard on Selection, Care, and Maintenance of Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting. Contractor shall pick up protective gear at the designated Frisco Fire station coordinated by designated City personnel. Protective gear will need to be returned upon completion of service to the same station within 48 hours of pick up for annual cleaning and inspection services. For repairs or additional cleaning that may come up during business, the City requires pick up, repair/cleaning, and return within 10 business days. Any extraordinary circumstances or exceptions to this would need to be discussed and confirmed with the City prior to pick up of that equipment. All pick up or delivery charges must be included in the costs for repair. If any additional shipping charges apply, these must be provided with your bid submittal.

The City representative shall withhold payment of any funds under this contract until cleaned or repaired equipment has been inspected, accepted, and approved by city personnel.

Vendors should complete the bid form included with this best value bid. In addition, prospective vendors should complete *Exhibit A References*.
