During implementation of this Agreement, the respective project managers shall whenever possible, operate by consensus and shall attempt in good faith to resolve disputes informally through discussion of the issues. Each party has the right to change its respective project manager by notifying the other party in writing at least five days prior to the change.

ACCESS

To the extent that the Site or other areas where work is to be performed hereunder is presently owned or controlled by parties other than those bound by this Agreement, the Applicant shall obtain, or shall use its best efforts to obtain access agreements from the present owners. Best efforts shall include at a minimum, a certified letter from Applicant to the present owner of such property requesting an access agreement to permit Applicant, TCEQ, their authorized representatives and persons designated by the TCEQ in accordance with HSC, Section 361.752(c) access to such property. Any such access agreement shall be incorporated by reference into this Agreement. In the event that such access agreement is not obtained, the Applicant shall so notify TCEQ, which may then, at its discretion, assist the Applicant in gaining access.

The Applicant shall provide authorized representatives of TCEQ access to the Site and other areas where work is to be performed at all reasonable times. Such access shall be related solely to the work being performed on the Site and shall include, but not be limited to inspecting records, operating logs and contracts related to the Site; reviewing the progress of the Applicant in carrying out the terms of this Agreement; conducting such tests, inspections, and sampling as TCEQ may deem necessary; using a camera, sound recording, or other documentary type equipment for field activities; and verifying the data submitted to TCEQ by the Applicant hereunder. It should be noted, that as provided for in HSC, Section 361.607, the executive director or the Applicant in its sole discretion may terminate the Agreement by giving 15 days advanced written notice to the other.

The parties shall use their best effort to, in good faith; resolve all disputes or differences of opinion informally. If, however, disputes arise concerning this Agreement which the parties are unable to resolve informally, the Applicant may present written notice of such dispute to TCEQ and set forth specific points

of dispute and the position of the Applicant. This written notice shall be submitted no later than five calendar days after the Applicant discovers the project managers are unable to resolve the dispute. The Applicant's project manager shall notify the TCEQ's project manager immediately by phone or other appropriate methods of communication prior to written notice, when he/she believes the parties are unable to resolve a dispute. Within ten days of receipt of such a written notice, the TCEQ will provide a written response to the Applicant setting forth its position and the basis therefore. During the five calendar days following the receipt of the response, the parties shall attempt to negotiate in good faith a resolution of their differences. If during this negotiation period, the TCEQ concurs with the position of the Applicant, the Applicant will be notified in writing and this Agreement shall be modified to include any necessary extensions of time or variances of work.

Following the expiration of the previously described time periods, if no resolution of the disputed issue(s) has been reached, the executive director shall make a determination regarding the dispute, based upon and consistent with the terms of this Agreement and will provide written documentation of such determination to the Applicant.

At this juncture, if dispute resolution fails and either or both parties exercise their right to withdraw from the Agreement by giving 15 days advance written notice to the other, only those costs incurred or obligated by the TCEQ before notice of termination of the Agreement are recoverable under the Agreement.

RESERVATION OF RIGHTS

TCEQ and Applicant reserve all rights and defenses they may have pursuant to any available legal authority unless expressly waived herein.

Nothing herein is intended to release, discharge, or in any way affect any claims, causes of action or demands in law or equity which the parties may have against any person, firm, partnership or corporation, not a party to this Agreement for any liability it may have arisen out of, or relating in any way to the generation, storage, treatment, handling, transportation, release or disposal of any materials, hazardous substances, hazardous waste, contaminants or pollutants at, to or from the Site. The parties to this Agreement expressly reserve all rights, claims, demands, and causes of action they have against each other, and against any and all other persons and entities who are not parties to this Agreement.

The Applicant reserves the right to seek contribution, indemnity, or any other available remedy against any person other than TCEQ found to be responsible or liable for contribution, indemnity or otherwise for any amounts which have been or will be expended by the Applicant in connection with the Site.

During the term of this Agreement, TCEQ will not bring an enforcement action against Applicant for any violations of statutes or regulations for the specific violations or releases that are being remediated by this Agreement, unless the Applicant or TCEQ withdraws from this Agreement prior to completion of the response action. However, a responsible party remains liable for contamination should response action standards change or additional contamination be discovered. Non-responsible party Applicants have a release from liability upon issuance of the Certificate of Completion subject to statutory conditions in Section 361.610(c) HSC.

TCEQ's costs may include direct and indirect costs of overhead, salaries, equipment, utilities, legal, management and support costs associated with the review of the Applicant's work plans and reports and oversight of field activities.

The TCEQ will track all costs to the TCEQ for review and oversight activities related to the Site and provide monthly invoices to the person responsible, per this Agreement for said costs. If TCEQ costs are less than the application fee of one thousand (\$1,000) dollars, the remaining balance in the Site account will not be refunded. The Applicant shall pay these invoiced costs to the TCEQ within 30 days after the date the Applicant receives notice that these costs are due and owing. If payment is not made within 30 days after the date the second notice that these costs are due and owing is sent, the TCEQ will stop reviewing any site-related submittals. If payment is not made within 30 days after the date the third notice is sent, the TCEQ shall terminate this Agreement and request that the attorney general bring action to recover all costs allowed by law.

Checks shall be made payable to the Texas Commission on Environmental Quality and be mailed along with a transmittal letter stating the Site name, VCP number, and addressed to the Texas Commission on Environmental Quality; MC-214; Attention: Cashier; P.O. Box 13088, Austin, Texas, 78711-3088.

In the event that this Agreement is terminated for any reason, Applicant A, unless indicated otherwise in Exhibit "A", agrees to reimburse TCEQ for all costs incurred or obligated by the TCEQ before notice of termination of the Agreement.

NOTICE OF BANKRUPTCY

As soon as Applicant has knowledge of its intention to file bankruptcy or no later than seven days prior to the actual filing of a voluntary bankruptcy petition, Applicant shall notify TCEQ of its intention to file a bankruptcy petition. In the case of an involuntary bankruptcy petition, Applicant shall give notice to the TCEQ as soon as it acquires knowledge of such petition.

INDEMNIFICATION

To the extent allowed by law, the Applicant agrees to indemnify and save and hold the State of Texas, its agencies, successors, departments, agents and employees, harmless from any and all claims, damages or causes of action arising from or on account of, the willful or negligent acts or omissions of the Applicant, its officers, directors, principals, employees, receivers, trustees, agents, successors, subsidiaries over which the Applicant exercises control and assigns in carrying out the activities pursuant to this Agreement. By entering into this Agreement, the Applicant does not assume any liability arising from the acts or omissions of the TCEQ or its agents or employees in carrying out any activities pursuant to this Agreement.

The effective date of this Agreement shall be the date on which this Agreement is signed by the Executive Director of TCEQ or his/her authorized representative.

This Agreement may be amended by mutual agreement of TCEQ and the Applicant. Amendments shall be in writing and shall be effective when signed by the Executive Director of TCEQ, or his/her authorized representative.

TERMINATION AND SATISFACTION

The provisions of the Agreement shall be satisfied when TCEQ gives the Applicant written notice in the form of a Final Certificate of Completion that the Applicant has demonstrated to TCEQ's satisfaction that all terms of this Agreement have been completed, including the selection and implementation of a response action, when appropriate.

Nothing in the Agreement shall restrict the State of Texas from seeking other appropriate relief to protect human health or the environment from pollution or contamination at or from this Site not remediated in accordance with this Agreement.
