

### How to Download Files

Applicants download stamped files at the end of the review process.

**Step 1:** Open the Project using the email link titled “**Project Access**”.

**TIP:** Once a Permit/Project is Approved, you will no longer have associated tasks.

**Step 2:** Choose the **Files tab** to download approved plans and documents. Only files from the Approved folder are able to be downloaded. Select the document and click the download arrow.
