# PLAN FOR FUTURE

- **Regional Approach**
- **Assistance from Animal Advisory Committee**
- **Expand Social Media Presence**
- **Shelter Options:**
  - Explore Public / Private Partnerships
  - Define a partnership (expertise, means, willingness)
  - Learn more about potential CCAS expansion efforts

# Public/Private Partnership Preliminary Discussions

## Habitat 4 Paws

- 100% volunteer base group with limited funding
- Would not be able to staff and maintain a facility

## Mazie's Mission

- Looking to acquire 4-6 acres
- Has potential donors in place to nearly fund land and build
- Would be willing to partner and willing to consider Frisco if they could find the land comparable

## Frisco Humane Society

- Reached out to contact with no reply

## Humane Society of North Texas

- Reached out to contact with no reply

## SPCA

- Per conversations in February, the timing does not support them coming to Frisco with other financial commitments

## Legacy Humane Society

- Currently operated in Rockwall for 11 years with renewal in process
- Would need Land and Building from city but could operate and maintain
